

TRAVEL AND ACCOMMODATIONS FOR RED ROCK

Our Red Rock office is located at 8221 West Charleston Boulevard, Suite 106, inside Desert Rock Sports. Las Vegas Airport is the closest and cheapest airport we recommend to clients. If you have any questions or would like more information, please call our Las Vegas office at 702-254-0885 or email Redrock@jhmg.com.

TRAVEL

With direct flights from cities around the US, cheap airfare and car rentals and excellent accommodations for all budgets, Las Vegas is a great place to visit. To prepare for your trip, we recommend checking out one of several web sites devoted to helping out-of-towners plan their visits to Las Vegas. Two of the better sites are LasVegas.com, which has information on airlines, hotels, weather, restaurants, entertainment and other outdoor activities, and the Nevada Tourism Commission: the State's official site includes hotel listings, itinerary planner and an event guide.

ACCOMMODATIONS

A local favorite, Bonnie Springs/Old Nevada is a replica of an old western town set on the edge of Red Rock. Located on Hwy 159 six miles west of Red Rock, it features breath-taking views, a motel, wax museum, opera house, gunslingers, petting zoo, gift shops and restaurants. During the off-season Bonnie Springs is an ideal place to escape the crowds.

Holiday Inn Express is located a few minutes from the JHMG office, on West Sahara. Phone: 702-256-3766. Another option is the JW Marriott (formerly The Regent), a luxurious resort hotel located just a few minutes from the JHMG office. Features a world-famous spa, casino and the spectacular grounds and pool offer beautiful views of Red Rock. Suncoast Casino & Hotel is located 5 minutes from JHMG office and offers an inexpensive buffet, casino, movie theaters and many restaurants. Rooms at the Suncoast tend to be expensive but, like all Las Vegas hotels, they periodically offer special rates.

CAMPING

Overnight camping is generally not allowed within the Red Rock Canyon National Conservation Area. Camping is available at a Bureau of Land Management (BLM) campground located a short distance from the entrance to Red Rocks.
